LD 486

I support LD 486 “An Act to Remove the Duty of an Individual Exercising Self-defense to Safely Retreat or Abstain from Performing Certain Acts upon Demand.”

This is common sense legislation. In the split second a person threatened with severe bodily harm or death tries to reason whether they can safely escape the threat or not, that inaction may cause their death.

Let us defend ourselves.

I support LD 486, and it “ought to pass.”
