

Elise Spaulding
Scarborough
LD 584

I am writing to you as a small Veteran owned and operated farm to let you know we are in support of LD 584: An Act to Make the Director of the Office of Cannabis Policy an Appointed Position, Subject to Confirmation by the Legislature. This would be in the best interest for our patients and cultivators.

I hope that this paves the road for a year of shared decision making with the best interest of our patients at heart.
