

Pat Truman
Hallowell
LD 143

Senator Baldacci, Representative Meyer, and Members of the Joint Standing
Committee of Health and Human Services:

My name is Pat Truman of Hallowell, and I strongly oppose LD 143.

There is no need to be redundant, since my daughter Michelle Truman has already
submitted important testimony with which I totally agree. Please go back and read it.

The message is clear. In matters of morality and dollars and cents, common sense
must prevail.

VOTE NO on LD 143.
