LD 303

I unequivocally oppose LD 303 An Act to Repeal the Law Prohibiting Unauthorized Paramilitary Training. Repealing the Act that prohibits unauthorized paramilitary training will not only give blanket permission to paramilitary groups to engage in Insurrection, it will encourage and promote Insurrection as a means to bypass democratic process. Should the law prohibiting unauthorized paramilitary training in the State of Maine be repealed, the legislators sponsoring LD303 and those legislators who join them will stand in violation of their oath of office and confirm that their abdication of their responsibility to defend The Rule of Law.
