

To the members of the Inland Fisheries and Wildlife Committee,

My name is Gregory Hunnewell of Belgrade Lakes Maine, and I am testifying in support of LD 820, Resolution, Proposing an Amendment to the Maine Constitution to Establish the right to Hunt and Fish. We as residents of the State of Maine deserve to have the protection afforded by this Amendment.

We have been infringed upon so many times in the past that I feel this should be engrained into the Maine Constitution to prevent us from being infringed upon by someone who just simply doesn't want us to be able to hunt and fish anymore. Please vote it forward so the people of this state can voice their opinion on this matter. Thanks for your time on this matter.
