LD 844

Testimony in support of LD 844 to the Judiciary Committee March 17, 2025. Senator Carney, Representative Kuhn, and distinguished members of the Committee:  
My name is Janet Drew. I'm a retired RN, and I live in York. In general I support controls that will limit the harmful exposures associated with social media, wireless devices and wireless infrastructure. There is ample evidence of harm, and the 9th district federal court found the safety regulations of the "capricious" FCC required review. Four years later, while we wait for FCC's compliance, families need legislation like this to protect us.
