Support LD 424

Members of the committee, I am in support of this proposed bill LD 424.

I support LD 424 "An Act Concerning the Concealed Carrying of a Handgun by an Individual Who Is 18 Years of Age but Under 21 Years of Age"

If an 18-year-old can enlist in the military and carry a firearm, than it is reasonable for them to carry one as a civilian to defend themselves and others. Taking away their right to defend themselves and others makes them a victim, if they could carry would indeed save lives.

Let us defend ourselves.

I support LD 424, and it "ought to pass."

Thank you for your time

Sincerely,
