I'm contacting you in support of LD 486 - An Act to Remove the Duty of an Individual Exercising Self-defense to Safely Retreat or Abstain from Performing Certain Acts upon Demand.

I think most people will retreat when possible, but when they can't they can't. This bill will ensure that those people will not face criminal prosecution just because somebody else thinks they should've or could've retreated. Self-defense is our natural right.

I urge the committee to vote "Ought to Pass" on LD 486.
