

Cory Reynolds
DEXTER
LD 840

Dear Senator Ingwersen, Representative Meyer, and members of the Health and Human Services Committee,

My name is Cory Reynolds, and I'm a resident of Dexter, Maine. I'm writing to express my wholehearted support for LD 840, "An Act to Modernize the State Supplement to Supplemental Security Income by Removing Marriage Disincentives."

I firmly believe that everyone should have the freedom to love and marry whoever they choose, without fear of losing essential services or government support. LD 840 aims to remove marriage disincentives from the state supplement to Supplemental Security Income, ensuring that individuals with disabilities can make choices about their lives without being penalized.

I urge you to vote "ought to pass" on LD 840. This bill has the potential to make a significant positive impact on the lives of Mainers with disabilities, and I believe it's essential that we prioritize their well-being and independence.

Thank you for considering my perspective. I look forward to seeing your committee's actions on this important bill.

Sincerely,
Cory Reynolds
