

Greg Soutiea
Spruce Head
LD 853

As small business owners, we oppose LD853. The passing of LD 853 would drastically increase the minimum wage for businesses starting in less than a year, this is not something that we can even imagine having to budget for so quickly. We would have to dramatically increase pricing in our restaurant and hotel to cover this increase for our staff members who it would apply to.

Respectfully,
Greg & Lauren Soutiea
