Good Day and thank you for the opportunity to be heard.

I am a 2nd home owner in Rangeley Maine, and a resident of Massachusetts. I am an owner of a now illegal UTV Polaris Xpedition, my purchase was \$52,000 with out cost of accessories. I purchased the UTV in my home state and registered in Maine for two years as a non resident and now cannot register and use in the state of Maine. It is unfortunate that the weight limit limits what I can register and use in the State of Maine where I pay taxes as a homeowner and love to visit for all our outdoor adventures.

I am writing in support of increasing the weight limit.
