LD 1008

I STRONGLY URGE you to vote OUGHT TO PASS on LD1008, An Act to require the Attorney General to seek Legislative approval before filing any civil suit on behalf of the state and to authorize citizen-initiated petitions to move for dismissal. This is what is meant as "BY, FOR AND OF THE PEOPLE" in the Constitution. Too often our representatives in the Legislature and the Congress, whether it be the state or the nation, do not care to hear what WE THE PEOPLE have to say about running our country. That was not the intension of the founding "fathers." They knew a house divided could not stand or prosper. They knew that leadership should and must listen to the people. That is essential to holding us on a path to success. Listening to the people is what the Attorney General should be doing. The people pay the bills, and they should have their say. Too often the people are dismissed and uninformed. Change that by voting OUGHT TO PASS on LD1008. '

Thank you!
