LD 424

I support pro-2A legislation, such as LD 424, LD 829, LD 953, LD 998, and LD 1089.

I oppose LD 677, another attempt at failed gun control.

I support restoration of all of our Second Amendment Constitutional rights, such as LDs 424, 829, 953, 998, and 1089 and they "ought to pass."

I oppose LD 677, and it "ought not to pass."
