

Mike McGonigle
Hampden, ME
LD 1040

Honorable Committee Members:

I support LD 1040 & LD 900 so retired state workers and teachers get
Cost-of-Living-Adjustments to the first \$40,000 of their pension.

This does not affect me personally because my State of Maine Employment pension
is less than \$28,000 per year.

I want you all to support our State employee and teacher retirees.
