LD 303

To Committee considering LD 303

It is with great concern that I am submitting this plea to reject LD 303 on the grounds that it will encourage undesirable activities related to hate mongering and future violence in Maine. Who will feel safe with paramilitary training going on with intentions of inciting fear and and hatred of anyone that these groups consider undesirable. It's NOT for Maine, the way life should be. Vote no to repeal.
