LD 1109

I oppose LD 1109 “An Act to Reduce Gun Violence Casualties in Maine by Prohibiting the Possession of Large-capacity Ammunition Feeding Devices” and LD 1126 “An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.”

I oppose any and all bills that strip Maine citizens of our Constitutional rights.

I oppose unconstitutional LD 1109 and LD 1126, and they “ought not to pass.”
