LD 871

I support LD 871 “An Act to Exempt All Persons, Including Health Care and Emergency Services Personnel, from COVID-19 Vaccine Requirements.”

This bill prohibits the State from requiring any person, including health care facility employees and emergency medical services personnel, to receive a COVID vaccine. We live in the United States of America, not a Communist country. We’ve earned our freedom of choice regarding whether we want to vaccinate or not.

I support LD 871, and it “ought to pass.”
