CALL TO ACTION!! MORE UNCONSTITUTIONAL GUN CONTROL! LD 1109 (magazine ban) and LD 1126 (require serial numbers and prohibiting undetectable firearms).

PLEASE FORWARD THIS MESSAGE TO YOUR COMMITTEE MEMBERS OR OTHER CONCERNED MAINE PATRIOTS!

The Committee on Judiciary will hold a Public Hearing March 26 2025 at 9:35AM, State House, Room 438, Augusta, to discuss LD 1109 and LD 1126.

I oppose LD 1109 “An Act to Reduce Gun Violence Casualties in Maine by Prohibiting the Possession of Large-capacity Ammunition Feeding Devices” and LD 1126 “An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.”

Here we go again, another attempt at unconstitutional gun control. Another attack on law-abiding Maine citizens, and a direct violation of our Maine Constitutional rights, specifically Article 1, Section 16: “To keep and bear arms. Every citizen has a right to keep and bear arms and this right shall never be questioned.” Maine is the safest state in the nation. I fail to see how these laws would make us “safer”. I oppose any bill intending to strip Maine citizens of our Constitutional rights.

Federal and state legislation and ATF “rules” are being repeatedly challenged in court, and support for the 2nd Amendment to the Constitution is being restored. The days of unconstitutional gun control laws, and attempts to enact them are over.

With that being said, LD 1109 is another reconstituted attempt at previously defeated gun control (i.e. 129th Maine Legislature, LD 1071 “An Act To Prohibit the Sale of High-capacity Magazines). It’s unconstitutional, and you know it.

I oppose unconstitutional LD 1109 and LD 1126, and they “ought not to pass.”
