Hello, my name is Jeramie Breton. I live in Gardiner, Maine. First off, I would like to say my safety is in my hands! I have been in 2 situations where my life was at risk, and calling the police was not an option. Taking away people's rights just because you have control, isn't right! More and more Americans are understanding there is a lot of corruption in the government and taking away God-given rights is pushing people further away.

Thank you for your time, and please don't take my rights away!
