

Doris Luther  
Hollis Center  
LD 1073

Greetings Senator Tepler, Representative Doudera, and ENR Committee Members,  
My name is Doris Luther, I live in Hollis, ME and I am testifying in support of LD 1073 "An Act to Amend Provisions of the Maine Metallic Mining Mineral Act to Advance Health Equity and Improve the Well Being of Vulnerable Populations".

I am testifying in against LD 795 - "An Act to Exempt Pegmatite Mining from the Maine Metallic Mineral Mining Act and Establish a Permit-by-rule Process:.

Metallic mining is known as the most destructive and polluting human activity on the planet.
