LD 69

My name is Audrey Rabinowitz and I strongly oppose LD 69 "An Act to Repeal the Law Restricting the Use of Certain Plastic, Paper and Single-Use Bags."

I cannot fathom why this common sense law would be repealed. Our environment is being seriously polluted and poisoned by unnecessary waste, and particularly toxins in plastic. Our wildlife is suffering as well. These existing restrictions are essential to stemming the tide of this awful problem.

I strongly urge you to reject LD 69.
