

Adinah Barnett
South Portland
LD 795

Greetings Senator Tepler, Representative Doudera, and ENR Committee Members,
My name is Adinah Barnett, I live in South Portland, ME and I am testifying against
LD 795 - "An Act to Exempt Pegmatite Mining from the Maine Metallic Mineral
Mining Act and Establish a Permit-by-rule Process".

I do not want any loopholes or exceptions for different metals and/or minerals from
the laws that we create to protect the health, safety and quality of life that we need
and deserve here in Maine.

I do want extra protections against metallic mineral mining in Maine, not any
exemptions.

Thank you
