LD 795

Greetings Senator Tepler, Representative Doudera, and ENR Committee Members,
My name is Tina Streker, and I live in Nobleboro, ME and I am testifying against LD 795 - "An Act to Exempt Pegmatite Mining from the Maine Metallic Mineral Mining Act and Establish a Permit-by-rule Process. LD 795 wears away current protections on mining and is destructive to our state, our people, and the natural resources we cherish. Vote against LD 795.

Very Respectfully,
Tina M. Streker
