

Roberta Rubly-Burggraff
Charlotte
LD 1073

I support bill LD 1073. I live in Charlotte , and own property in Pembroke. Our area is abundant in both fresh and salt water. Wetlands are prominent. Allowing a company to dump mining-tailings here would be disastrous to the wetlands, streams and salt water. Allowing mining itself would be even worse. The town of Pembroke has already passed an ordinance. We need more protection on the Bold Coast!
I support Bill LD 1073
