LD 975

Thank you for the opportunity to address the Judicial committee. My name is Robin Jordan from trevett maine. i am writing today against LD 975 (and all other anti abortion bills before this committee today). Having been a medical provider, I witnessed a very frightened ELEVEN year old GIRL, pregnant, accompanied by her very distressed mother, and this patient needed a termination of a RAPE pregnancy. Thank goodness we could refer her to Planned Parenthood. Her pregnancy was certainly not planned. It came from a violent attack on her body and her mind. Women (and GIRLS) bodies are ours, and we have the right to decided our own medical care. It is a deeply personal decision, not taken lightly. Thank you for this opportunity to share my perspective with the committee today. I urge you to vote AGAINST this bill- LD 975. Thank you
