LD 1038 Ought to pass

As a patient I would like to only have to renew every other year, instead of every year.

I use cannabis for chronic issues that aren't short term. It would be beneficial to my life to have to renew less for the same thing.

Other states have adopted longer certifications.

Illinois: Medical cannabis cards are valid for 1, 2, or 3 years

Nevada: Cards are issued for 1 or 2 years

Maryland: Medical cannabis cards can be valid for up to 6 years

New Jersey: Medical cannabis cards are valid for 2 years
