Dear Senator Beebe-Center, Representative Hasenfus and Distinguished Members of the Criminal Justice and Public Safety Committee;

I am writing on behalf of the Restorative Justice Project Maine, in support of LD 405, "An Act to Define 'Solitary Confinement' for the Laws Governing Jails and Correctional facilities."

The law simply puts into place the internationally recognized definition of solitary confinement, "the isolation of a client from the general population of the jail or correctional facility where the client is detained by confinement in a cell or other place for 22 hours or more within a 24-hour period," so that the citizens of Maine can be assured that we are following guidelines accepted across the world as humane.

Sincerely,
Tim Hughes, M.D.
