

Fritz Onion  
Wayne  
LD 1089

Senator Grohoski, Representative Cloutier, and members of the Taxation Committee, my name is Fritz Onion, and I live in Wayne. I am submitting this testimony in support of LD 1047 (Unearned Income Tax) and LD 1089 (Millionaire Tax).

My wife and I are wealthy Mainers who would pay additional taxes under these proposals, and we strongly support passing these bills. As life-long Mainers, having grown up in Farmington, we both benefited from public school education in our state. We believe that these bills would be a step in the right direction of rectifying an unfair tax code, and provide the education financing that the next generation deserves.

I ask this Committee to vote 'Ought to Pass' on LD 1047 and LD 1089 to make Maine's tax structure more fair.
