

Lance Nunley
Gray
LD 1109

I am STRONGLY OPPOSED to LD 1109. This is a blatant violation of our US and Maine State constitutional rights. Limiting 'large-capacity ammunition feeding devices' will only impact law abiding citizens whose sole purpose in owning such devices are for hunting, sporting, and, most importantly, self defense. Criminals do not follow laws. Do not strip away the last line of protection I have for my family.
