LD 1089

Esteemed Representatives, thank you for hearing testimony on this bill. I live in Hampden, ME and am an active citizen and voter. I would like to state my support for LD 1089 An Act to Permanently Fund 55 Percent of the State's Share of Education by Establishing a Tax on Incomes More than \$1,000,000. I have no children in Maine, but I unequivocally support children's education as a foundational public good necessary to any society's wellbeing. Maine is stronger for our support of education. This support helps develop a more capable and knowledgeable citizenry and workforce, thereby increasing the professionalism of Maine workers and solidifying our taxbase into the future. I ask that you support this act.
