

Peter O'Connell
South Portland, ME
LD 953

Dear Members of the Judiciary Committee,

I urge you to vote against LD 953. The bill would allow rapid fire modification devices to be added to rifles and other firearms, which would endanger regular citizens, including children. No hunter or home owner needs to add these devices to their guns to be able to hunt or protect their home. Passage of this bill would endanger law enforcement personnel and all citizens.

Thank you.
