LD 1109

To the members of the Judiciary Committee,

My name is Dan Masessa of Montville and I OPPOSE LD 1109, An Act to Reduce Gun Violence Casualties in Maine by Prohibiting the Possession of Large-capacity Ammunition Feeding Devices.

This bill will not reduce violence but rather will put law abiding citizens at risk. It hampers our ability to defend ourselves in a self-defense situation. It would make felons out of thousands of your voting constituents.

Large capacity ammunition feeding devices are not the issue. Criminals and mental health are the issues that should be addressed.

I want to remind every person on the Judiciary Committee that your oath of office is to support the Constitution of the United States and the Constitution of the State of Maine. Voting for this bill will be violating your oath of office.

I strongly urge the committee to vote Ought Not To Pass on LD 1109.
