

Daniel Masessa
Montville
LD 1126

To the members of the Judiciary Committee,

My name is Dan Masessa of Montville and I OPPOSE LD 1126, An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.

This long winded and convoluted bill will do nothing to stop a crime. A serial number, or lack of one, will not stop a criminal from using a weapon to commit a crime.

I want to remind every person on the Judiciary Committee that your oath of office is to support the Constitution of the United States and the Constitution of the State of Maine. Voting for this bill will be violating your oath of office.

Shall Not Be Infringed, Shall Not Be Questioned!

I strongly urge the committee to vote Ought Not To Pass on LD 1126.
