

Jason Rogers  
Waldoboro  
LD 677

LD 677 introduced by leading gun-grabbing politician Sen. Anne Carney, creates a backdoor ban on commonly owned firearm parts by redefining a "machine gun" to include; well, any gun.

This bill needs to be killed with prejudice!

Hey! Anne Carney! Why do you hate the people?! Why do you hate us!?

Stop with the nonsense!

"Shall not be infringed"

"Shall not be questioned" The State of Maine.
