

Daniel Masessa
Montville
LD 677

To the members of the Judiciary Committee,

My name is Dan Masessa of Montville and I OPPOSE LD 677, An Act to Update the Statutory Definition of "Machine Gun" and Prohibit Possession of a Rapid-fire Device.

The definition of a Machine Gun is already covered under federal law and has been for many years. This bill absolutely makes no sense to change that. Machine guns are not illegal as any non-felon citizen can obtain one thru the proper channels.

This same bill was vetoed by the Governor last year so why are we wasting valuable time?

I want to remind every person on the Judiciary Committee that your oath of office is to support the Constitution of the United States and the Constitution of the State of Maine. Voting for this bill will be violating your oath of office.

Shall Not Be Infringed, Shall Not Be Questioned!

I strongly urge the committee to vote Ought Not To Pass on LD 677.
