

Katherine Ahrens
YARMOUTH
LD 829

My name is Katherine Ahrens and I live in Yarmouth, Maine.

I am writing to oppose LD 829 - An Act to Standardize the Laws Regarding the Carrying of Concealed Handguns in State Parks

This law would make Maine less safe.

I support gun safety measures because I care about the public safety of people living in Maine. As a public health professional, epidemiologist, and mother of three children, keeping our residents safe is a top concern.

Thank you for considering my testimony.
