LD 69

I am against LD 69 - An Act to Repeal the Law Restricting the Use of Certain Plastic, Paper and Single-use Bags. I feel that repealing this restriction would set us back in our leadership (the State of Maine on this topic). It rejects research that clearly shows the impact on plastics to the health of humans bodies, wildlife, fisheries, rivers and waterways, and, of course, our ocean. Plastic help fuel the climate crisis as well. Reduce, reuse, recycle... but no more plastic!
