SOUTH PARIS  
LD 56

Maine has been a leader in raising awareness about and taking action to reduce plastics that pollute the environment. The 5cent fee for bags has been incredibly effective for having people bring their own bags when they shop to actively support the health of our environment. The 5 cent fee offsets the costs to retailers and reduces the cost of waste management. Please vote NO on LD 56 An Act to Remove the 5 Cent Fee for Bags in Retail Stores. Thank you, Katherine
