To the Judiciary Committee
Bill LD 953

Here is hoping you will vote this bill OUGHT NOT TO PASS. Why our legislature needs to spend time changing definitions on something like a "machine gun" is beyond me. If our state is serious about gun safety and responsible gun ownership, the term "machine gun" has no place in the conversation. Let's stick with bills that make sense to the general public and keep the dialog on safe practices.

I urge you to vote: ought NOT to pass on LD953

Thank you for your consideration.
