LD 878 - Resolve, to Study the Effects of 5G and Other Non-ionizing Radio Frequency Radiation-emitting Technology on Bird, Bee, Insect and Other Wildlife Populations and the Effects of Long-term Exposure on Children

There are government studies, research reports, & court findings, that increasingly point to harms from wireless radiation ME (and the nation) need to study the effects of this increasingly promoted & pervasive radiation,(whether it is called " ionizing " or "non-ionizing"). Please Support this important study, Thank you. Resources: Anxious Generation, the NHCommission study & website MA for Safe Technology. As Michael Lewis recently noted (3/23/25 on cspan,) "public protection is a basic function of government
