Honorables Senator Carney and Rep. Kuhn and distinguished members of the Judiciary,

My name is Robin Smith. I would like to testify on behalf of Rep. Abigail Griffin's an Act to Repeal Laws Allowing Abortion and the Criminalize Abortion - LD 975. Abortion is killing someone. Maybe someone not seen and not heard of before but still a very valued member of the human family. - A life created by God.

It is a terrible crime to end a life - at any stage. It is never our business to do so. It is only God's.

I support anyone assisting with an abortion being charged by the criminal code. If there is concern with the original language of "particiapting", it could be changed to "assisting". Also if there is concern with a minor mother of the child being prosecuted we could add the clause, "except in the case of minor mothers."
