LD 424: "An Act Concerning the Concealed Carrying of a Handgun by an Individual Who Is 18 Years of Age but Under 21 Years of Age"

Please vote "ought to pass" for this proposal.

To the Honorable Members of the 132nd Maine State Legislature:

At the age of 18, an individual can join the military, consent to life-altering gender affirming surgery, and exercise their right to vote. We afford these abilities for 18 year-olds yet deprive them of their right to self-defense. This reality is strange to me given that people 18-21 can legally own firearms and is hypocritical. This lapse in Maine adults' rights should be swiftly corrected by passing this proposal.
