LD 1126

March 25, 2025

Senator Carney, Representative Kuhn, and members of the Committee on Judiciary:

My name is Michaela Loisel of Hallowell. I write today about  
LD 1126- An Act Requiring Serial Numbers on Firearms and Prohibiting  
Undetectable Firearms.

I am a lifelong Mainer who comes from a family of hunters and respects our right to own firearms. I also believe that the health and safety of the greater community is important when considering measures that impact gun ownership.

LD 1126 is a reasonable and sensible step that will increase gun safety, reduce the number of illegal guns and aid Law Enforcement investigations in crimes involving firearms. This bill will make Mainers safer from the daily gun violence that we are all too familiar with.

Please consider the welfare of all Maine people as you vote on this measure and vote yes to support passage of LD 1109.

Respectfully,  
Michaela Loisel
