LD 69

To the members of the House Environment and Natural Resources Committee:

I urge you to oppose LD69 to repeal restrictions on the use of single-use bags at retail stores. According to the World Economic Forum, plastic bag bans and fees for bag purchase have shown to be effective at reducing both use and disposal of plastic bags. That means less waste and less litter fouling roadsides and coastlines. Let's not take Maine backwards - please vote no on LD69.

Sincerely,
