LD 1109

I highly oppose LD1109 as a law abiding citizen of the state of Maine. I strongly believe it is against the US Constitutional right to be able to defend myself, my family, and my community. This bill will only hurt law abiding tax paying Maine citizens. Criminals don't care about what laws are in place and do as they please. I urge you to stand in defense of the Second Amendment and oppose any proposals that would limit magazine capacities. I beg the committee to stand up for law abiding citizens and vote "ought not to pass" on LL 1109.
