LD 424: An Act Concerning the Concealed Carrying of a Handgun by an Individual Who Is 18 Years of Age but Under 21 Years of Age

I urge you to vote “Ought to Pass”.

LD 424 addresses an unfair restriction on law-abiding adults aged 18 to 20 who wish to exercise their right to carry a concealed handgun. These individuals can vote, serve in the military, and work in law enforcement—yet they face unnecessary obstacles when it comes to their own self-defense.

Maine law should be consistent in recognizing adulthood. If we trust these young citizens with major responsibilities, we should also trust them to exercise their constitutional rights. Please support LD 424 and ensure that all legal adults in Maine are treated equally under the law.
