Subject: LD 1126 An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.

Good morning, Senator Carney, Representative Kuhn and the Judiciary Committee. My Name is Craig Caffrey of Bowdoinham and I've written this testimony against LD 1126 An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.

This bill overreaches and overregulates issues that currently do not exist and further undermines law abiding citizens by playing "gotcha.". Instead of focusing on animate objects, this legislature should focus on increasing the penalties on those who use firearms to commit crimes and hold District Attorneys and prosecutors accountable for not seeking stricter and longer sentencings.

I urge this committee to vote "OUGHT NOT TO PASS" on LD 1126 An Act Requiring Serial Numbers on Firearms and Prohibiting Undetectable Firearms.

Thank you for your time,

Craig Caffrey
