LD 677

Dear Sen. Carney, Rep. Kuhn, and Members of the Judiciary Committee,

I am writing today to express my support for LD 677. I believe a state law is necessarily to prohibit the use of rapid-fire and machine gun conversion devices. These devices do not protect Mainers and, if used in mass shootings, can lead to tragic outcomes. We do not need devices that can fire up to 1,200 rounds/minute here in New England. Other states such as Louisiana and Florida have already banned some of these devices, and I believe Maine should do the same to protect its citizens.

Thanks so much for all the hard work you do on behalf of Mainers.
