Testimony of Maya Lena, Portland Bicycle and Pedestrian Advocacy Committee
In Support of LD 1020

April 3, 2025

Senator Nangle, Representative Crafts, and Honorable Members of the Joint Standing
Committee on Transportation

My name is Maya Lena, I live in Portland, and I am a member of the Portland Bicycle
and Pedestrian Advocacy Committee.

I support LD 1020 because only the legislature can stop the MTA from coming back
in a few years claiming that they could not find another alternative to the Gorham
Connector.

Maine must be a leader in stopping highway expansion. We do not need more
highways. What we need is safe, accessible and affordable public transit options.
Please pass LD1020.

I am willing to assist the committee in any way that is helpful. Thank you.
