Please accept my testimony in opposition of An Act to Repeal Laws Allowing Abortion and to Criminalize Abortion.

It is absolutely appalling what has happened in states like Texas, where criminalizing abortion has resulted in the death of over 150 women in the last couple of months. Women suffering miscarriages can't access proper medical help because of these heinous laws and are dying from sepsis and other horrible complications.

We can't let this happen to women in Maine.

Please vote against passing this bill out of committee.
